

PROVIDENCE HEBREW DAY SCHOOL

Welcome to Providence Hebrew Day School and New England Academy of Torah, the oldest Jewish Day School in Rhode Island. Providence Hebrew Day School is committed to the highest level of scholarship and academic excellence in both Torah and General Studies. Half a century and hundreds of graduates later, we are tremendously proud of what we have achieved. Our graduates have become our young Jewish leaders of tomorrow, excelling in the finest Yeshivos, Seminaries, and Universities.

We, at Providence Hebrew Day School, are committed to the belief that every Jewish child should be afforded the opportunity to have the highest quality Jewish education. Our graduates leave our school with a deep love for and understanding of Judaism and the Torah way of life. In addition, as their entry into top-level colleges and universities would attest; our students receive a superior secular education as well.

We deeply appreciate your interest in Providence Hebrew Day School and we invite you to learn more about our school and the great pride we take in being able to celebrate over 50 years of excellence in education.

PROVIDENCE HEBREW DAY SCHOOL ABOUT OUR SCHOOL

The Providence Hebrew Day School is an Orthodox Jewish day school, providing a high-quality Jewish and general education to boys and girls from Pre-Kindergarten through grade 8. Our girls high school, The New England Academy of Torah, provides the same high-caliber education to girls of high school age. We are located in the residential East Side of Providence, in the center of a thriving Providence Jewish community.

PHDS was established in 1946, is accredited by the State of Rhode Island Board of Education, and by Torah U'Mesorah. We are committed to providing a program of academic excellence in a warm, nurturing atmosphere. We work with each child to maximize his or her potential to become an educated, committed member of the Jewish community and the community at-large. We are devoted to developing students' learning skills and instilling a love of learning, preparing young people for promising futures and the realization of their goals. Our professional and attentive teachers cater to the needs of each individual, offering enrichment challenges and remedial help with the regular curriculum when it is needed. Everyone can benefit from encouragement and acceptance, so we provide generous measures of these, as well!

As focused as we are on our students' academic development and achievement, this is only part of our mission. We also strive for moral and character development and emphasize the importance of good "middos" (character traits) in all relationships by teaching values and morality inside the classroom and out. Our faculty and staff are positive role models of ethical conduct.

Our modern facility boasts General and Judaic libraries, a spacious auditorium equipped with a stage and lighting, a science laboratory, and a well-equipped networked, filtered internet computer laboratory.

Our students come to us from all over Rhode Island and from nearby Massachusetts. Bus transportation is available, servicing the Rhode Island communities and Sharon, MA. Financial Assistance is available based upon the family's need.
